### **IN WINTER:**

to satisfy the needs of all that have chosen "Rocce Nere" - for a fast break you can enjoy focaccia - piadina - hot panini - special hot dog - hamburger - sandwiches with sausage and pork roast done on the griddle, cooked at the moment with the addition of the ingredients you want! Pizza, chips...

for a meal comfortably sitting on our sun terrace or in the restaurant: tartiflette, sliced meats and cheeses, goat cheese cooked in the oven with jam...soups, lasagne, pasta...argentinian sirloin steak, pork chops, sausage, wurstel and hamburger done on the griddle with potatoes or vegetables...polenta...goulash, chicken curry...

### **IN THE SUMMER:**

there is much more time to stop and cuddle yourself and enjoy the cuisine with our amazing starters, local cuisine, polenta, meats cooked on the griddle, salads, all the ingredients chosen

accurately by our chef...all of this accompanied with the wines selected out of our cellar!

...and for who wants more: great variety of home made cakes, apple fritters...
